Aspire, Achieve, Learn and Love as one family in Christ

Newsletter –16th March 2018

Once again our school has been abuzz this week with both learning and fundraising. It has been science week and Shakespeare week here in school and so I have been lucky enough to spend time in classes this week and learn about classification and the complexities of different species, how we can investigate which liquids cause the most harm to our teeth and I was also treated to a truly wonderful performance of Macbeth from our Y5 and Y6 pupils this morning. It was full of tension and emotion and I was incredibly proud of the way the children were all involved and embraced their inner actor!

Have a lovely weekend.

Fiona, our lovely Usborne Books lady, will be collecting our sponsorship money and taking our book order which is very exciting.
