Aspire, Achieve, Learn and Love as one family in Christ

Newsletter – 23rd June 2017

Wow – what a week! Our children have coped so wonderfully with the heatwave this week. It is not easy to stay focused on your learning in such extreme conditions yet our children have continued to work hard. I have also had lots and lots of new stars added to our whole school display which has been created for the children to come and let me know when another child has been a light in the world spreading kindness and love. It is so wonderful to see the display filling with stars demonstrating what a truly special school of children we have here. Tomorrow is our summer fair at school, it runs from 11am-3pm and we would love as much support as we can possibly get. Our PTA have worked incredibly hard to put on a great event to help our school and we look forwards to seeing everyone there.

Have a wonderful weekend.

Sacramental Garden Party

On Friday July 7th we will be holding a garden party in school to celebrate with all of those children who have received the sacraments of First Holy Communion or Confirmation this year. We would like to invite families to join us to celebrate with their children on that day. The garden party will take place at 2pm and children will be able to bring their Holy Communion outfits in to change into for the party if they so wish. We will also be welcoming in any members of our parish community who would like to celebrate this step on the journey of faith of our children.

Rising Fives Applications to Join School September 2017

During the Easter holidays parents should have been informed if they have been offered a place at our school if they have children due to start in September 2017. Following the first round of applications we still have a few vacancies for September so if you know anyone new to the area or missed the applications first time round please get in touch with our school office.

Game On Football Tournament

This week some of our Y6 boys went along to an inter-school football tournament in Coventry. It was the first time our school had participated in this tournament and there were lots of schools involved. Our boys battled through blistering heat and several rounds to come away with the trophy. Huge congratulations to Ramoy Dunlop-Brown, Samuel Broad, Diarmuid Winston, Jack Nash, Ted Currie and Rory Broad – who was also crowned player of the tournament! Lots of other schools commented on the beautiful behaviour of our boys too. Well done team we are all very proud!
