Aspire, Achieve, Learn and Love as one family in Christ

Dear Parents

It is that time of the year where the end of year assessments (SATS) will soon be upon us. As a school we are offering two booster classes after school on a Tuesday and Thursday starting next week. The school's teachers and support staff will be leading the booster classes to support your children for the tests so commitment by the children is expected.

It is understood that your child comes to the two after school sessions (Tuesday [maths] and Thursday [reading])

To help the children leading up to the assessments, we have purchased CGP work books. There is a small cost involved, a contribution of £2.50 for maths (normally £5.95). It is very beneficial and will allow your child to cover the whole curriculum from year 3 to year 6 before the SATs.

Also, if at all possible, could your child bring in a £1 contribution for squash and biscuits for these sessions?

The sessions will run each week up until the SATS, final week for the sessions will be week commencing 4th May. The SATs will be administered week commencing 11.05.20.

It would be appreciated if your child is collected promptly when the sessions finish.

Warm regards

Mark Walsh
Year 6 teacher

Year 6 Booster Lessons

Name of child:

I have paid £2.50 for the CGP books via schoolcomms.

My child is coming to the after school booster sessions
