

## Y4 French

### Lesson 4

Look at 'Les couleurs' in French and answer the question. Then, use your knowledge of colours to work out which colours have been made by mixing.

#### Les couleurs

1. Quel est ton couleur préféré? (What is your favourite colour?)

Mon couleur préféré c'est le \_\_\_\_\_.

2. Colour the boxes in next to the given colour, then write the name of the colour they make when they are mixed together (e.g. red + white = pink).

rouge  + blanc  = rose

noir  + blanc  = \_\_\_\_\_

bleu  + jaune  = \_\_\_\_\_

rouge  + bleu  = \_\_\_\_\_
