

# Home Adventure Ideas

Can you make your favourite teddy a bed?  
Maybe you could use lego to do this or maybe you would like to use some recycling.  
The final test: is it comfortable and does it hold Ted?

Go on an adventure and play I Spy!

Extra challenge: can you use your phonics skills to spell each word?

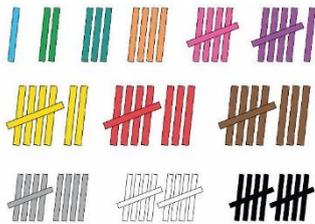

Kindness is SO important!  
Can you pick three jobs that need to be done at home that will help your grown up?

Can you help your grown up to make a meal?  
Could you write some instructions to tell me how to make it too?

On your next walk, use the nature grid below to create a tally of what you have seen!

## READING CHALLENGE

Why not take your favourite ted and sit in a spot in the garden to read while wearing sunglasses!  
Maybe you could ring a family member and read to them over the phone!

Can you read while standing tall on one leg like a flamingo?

Can you practice your number formation?  
Make sure that all of your numbers start and finish in the correct places.  
Maybe you could paint numbers or draw them with chalk on the ground. You could use different colours and felt tips or maybe even use some playdough

Be creative when you practice!

## BAKING

Why not bake something! Take note of all of the important measurements you are using.  
Can you write a list of all of the different ways that you can measure things?

## Other things...

I have also now created a 'Mindful Moments' folder within the children's 'work' folder on Purple Mash. In this folder you will find some activities to help them to relax and take some quiet time.

At the moment there are:

- Colouring sheets
- Mindfulness activity cards set
- Some breathing mats
- The 5 finger breathing image
- Instructions for creative projects

I hope that they help if you wish to complete any of them 😊

Also keep an eye on the Year One Purple Mash blog. I am trying my best to upload various content. From writing as a character the children are familiar with (Supertato) to recording and uploading videos of me reading stories with follow up questions. There are also Fabulous Fridays - this is where we are celebrating any of the fun and wonderful things you have all been getting up to. Please keep uploading your fantastic pictures so we can keep this going.

Reminder: there are cheat sheets to help you navigate Purple Mash on the school website Year 1 page. We are all learning together when using this platform so I hope that they help!

The children are so lucky, every day I am seeing the most amazing things!

Take Care
