

Hello Year 2,

My name is Oscar and I live with Mrs Ridges and her family. I am a cocker spaniel puppy and I am 10 months old. My fur is mostly chocolate brown with just a small white patch on my chest. My favourite toy is a plastic purple giraffe - it squeaks! I like chewing Mrs Ridges' slippers too and I wag my tail when I'm happy!

I get very excited when I hear the doorbell ring. When I've been really, really good I have a piece of cheddar cheese rolled up in ham, it's delicious!

Mrs Ridges is going to take me for a long walk now. I will tell you all about it next week.

Until then, have fun and stay safe.
