#Hello Yellow Day

This World Mental Health Day we are saying #Hello Yellow in our school to show young people they are not alone with their mental health. You will find out more of what we have planned in the flyer your child will come with.

Wear Yellow on the 10th October and donate £1 to Young Minds. ▾

Please could you also donate cakes for our cake sale on Thursday 10th October

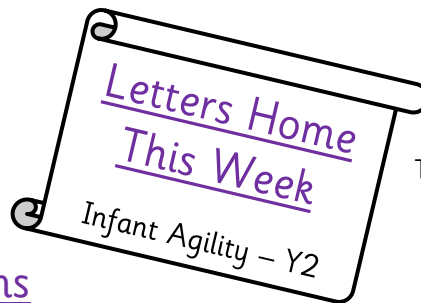

Pupil Parliament

Attendance

Our attendance target is **96%**

This week:	Reception	96%
	Y1	98%
	Y2	94.7%
	Y3	97.4%
	Y4	88.5%
	Y5	89.6%
	Y6	95.4%
	Whole school	93.7%

Whole school since September **94.7%**

Church Mouse Club meetings will be held on the second and fourth Tuesday 3.30pm – 4.30pm during term time.

The themes will be Christian based with stories, music, crafts and other exciting activities.

May Mouse is our mascot and our club is held in the Parish Room at church on the following dates:

Tuesday 8th and 22nd October

We look forward to seeing you

Please contact Debbie Bradley on 778172 if you require more details

Primary Admissions

If you have a child whose birthday falls between 01.09.2015 and 31.08.2016 you need to apply now for a primary school place for your child in September 2019. Apply online at

<http://www.warwickshire.gov.uk/applyforschool>

Closing date for applications is 15th January 2020. Please note the Admissions Policy and how the places are allocated.

Where's our School Logo Hiding?

Congratulations to Ella for spotting the logo at the end of the immunisation header. Head teacher's award coming your way. Who will be the lucky pupil this week?

Parentlink@welearn365.com

Maths Challenge

Year 1 and 2- Mr & Mrs Smith share 20 sweets. Mrs Smith 2 more than Mr Smith. How many do they each have?

Year 3 and 4- If I know $322 \div 14 = 23$, what does $24 \times 14 = ?$. Can you complete with no written workings?

Year 5 and 6- In a sale a TV is $\frac{1}{5}$ of the original price. It is now £280. How much was it?

Challenge: Bill thinks of a number, if he divides his number by 2 there is 1 remainder. If he divides it by 3 there are no remainders. If he divides it by 4 there is 1 remainder. If he divides by 5 there are 2 remainders. If he divides it by 6 there are 3 remainders. Dividing by 7 or 8 leaves 1 remainder whilst dividing by 9 leaves 3 remainders and dividing by 10 would give 7 remainders. What is Bill's number?
