Bus Lotto

Bus lotto first draw by 6th March, see OLST PTA Facebook page for information on how to get your number. Money raised from this goes in the prize fund and more importantly towards subsidising school trips.

Confirmation

On Tuesday 3rd March the children will receive the sacrament of Confirmation from Bishop Kenney at St Peter's Church at 7pm. We are really looking forward to a wonderful evening of celebration with the children.

Easter Bingo/Dress Down Day

Easter bingo and dress down day in exchange for an Easter egg - 27th March doors for bingo open at 6pm reserve your table with a PTA member or message on Facebook.

World Book Day

Thursday March 5th is World Book Day and as ever we will be focusing on books and our love of reading that day here at school. Children are more than welcome to come to school dressed as their favourite book character with that book ready to chat about it. Please use book characters and not movie characters or sports stars as the focus is on reading and books.

PTA Spring Disco

Friday 6th March will see our spring school disco which is being organised by our wonderful PTA. KS1 disco will be 3.30pm – 4.45pm with KS2 disco 5pm – 6.15pm the cost is £3.00 and this includes a drink and a party treat. Tickets are available now online at www.pta-events.co.uk/olstpta and PTA representatives will be on the playground every day. Last chance to buy tickets will be 10am 5th March

Maths Challenge

Year R – Quiet Koala and Calvin the cow each have the same amount of fruit. If you add their amounts together they have the same as Walt. Walt has 8. How much does Quiet Koala and Calvin the Cow have?

Year 1 & 2 – Simon puts his hand in his pocket and pulls out some money. He has 5 different coins. What is the highest and lowest totals he could have?

Year 3 & 4 – A rectangle tile's length is three times the height. If I put two rectangles together on the floor the length is 18.6cm. What is the perimeter of a single tile?

Year 5 & 6 – One kilogram of cheese costs £5.60. Jane buys 350g of cheese. How much does she pay?

Challenge – Frank has three times as much money as Molly. After Frank spent £60 and Molly spent £10 they have an equal amount. How much money did Frank start with?
