

NEWSLETTER – 15TH MARCH 2019

School has been buzzing with exciting science from Reception to Year 6 this week and it has been wonderful. We have had visitors, workshops and activities galore to celebrate science week and all of the visitors we have had into school have been so incredibly complimentary about our children which once again shows what fabulous children we have. We will have some photos from science week to share in next weeks newsletter. Tomorrow our First Holy Communion children will make their First Reconciliation at 11.30am at Our Lady's Church as they continue on their journey of faith. Have a lovely weekend - Mrs Wilson - Head Teacher

Hockey

Mr Hughes took a small group of KS2 children to King Henry VIII this week to take part in a Hockey tournament.

The children had a great morning and played some amazing hockey.

Maths Challenge KS1

What fraction is the red part of the whole circle?

Explain your reasoning.

Answer – 1/4

Maths Challenge

Years 3 & 4 – A soup uses three times as many onions as carrots. Mr Smith uses 12 onions and carrots. How many of each? Answer – 9 onions & 3 carrots

Years 5 & 6 – Two numbers add to 8. The difference between them is 3.44. What are the numbers?
Answer – 2.88 & 5.72
