

OUR LADY & ST TERESA'S SCHOOL

NEWSLETTER – 29TH MARCH 2019

Our children have shone brightly this week once again. We have had various visitors into school – governors, photographers, visitors from the county council, etc. and all have commented on the truly wonderful behaviour and attitudes of our children which is fantastic. Well done children – I am so very proud of you all! Let's hope the sunshine lasts all weekend and all of the mums and special females in our school community have a lovely day on Sunday. Huge thanks to our PTA who have supported our children acknowledging those special people in their lives with a small gift.

Have a lovely weekend. *Mrs Wilson*- Head Teacher

Mrs JD & Mrs Wright

As many of you now know both Mrs JD and Mrs Wright are leaving at Easter. We will be having an assembly to say goodbye to them both on Wednesday April 10th at 2.30pm. Parents/carers are very welcome to join us in that assembly.

	Y6	96.8%
	Whole school	97.2%

Whole school since September **95%**

Letters Home This Week

End of Day Routine
Mrs Wright Leaving
Mrs J-D Leaving

Where's our School Logo Hiding?

Every week, a miniature school logo will be hiding somewhere on the school newsletter. The first child to find the logo and email the correct location to Parentlink@welearn365.com will win a Headteacher's Star for their house. Congratulations EVIE RIMAN for finding last week's logo. It was hidden in the Dates for the Diary 

Maths Challenge

YR – Mr Kalnins is thinking of a number. Three more than his number is 12, what is his number?
Answer - 9

Years 1 & 2 – James spends £2 on a drink and sandwich. The sandwich costs 80p more than the drink. How much does the sandwich cost? Answer – £1.40

Years 3 & 4 – Three pieces of wood together are the same length as two pieces of metal. If one piece of metal is 7.5metres long how long is one piece of wood? Answer – 5 metres

Years 5 & 6 – Over 10 years an antique vase increases in value by 125%. It is now worth £702. How much was it? Answer - £312

Super challenge – In a zoo for every 2 lions there are, there are 3 elephants. Also, for every 3 lions there are there are 4 snakes. If there are 9 elephants, how many snakes are there? Answer – 8

On Thursday April 11th we will be ending the term with Stations of the Cross from year 5 which all of KS2 are coming to watch and we warmly invite parents/carers to join us in this very special event as we recall the journey Jesus made to the cross. As it is such an emotive event and one in which we will be trying to create a very quiet and prayerful atmosphere, coupled with the sensitive nature of the topic we would ask that younger children are not brought to this event. Thank you in advance for

Easter Bingo

Don't forget tonight is Easter bingo at school. This is always an amazing night jam-packed with fun for all the family. Doors open 6pm with eyes open at 6.45pm. Come along and have fun whilst raising vital funds for our school!

This week Miss Shepherd has sent out a request for all parents to update the home-time arrangements for their child. This can be done by responding to the email Miss Shepherd sent out, calling into the office in person, sending in a written update with your child or by telephoning the school office. We do need this information from everyone and if we do not have this by 8th April then we will have no option but to hold your child at school at the end of each day until a parent/guardian collects them. That will mean we will not release them to after school care providers or allow them to walk/cycle home. This is to ensure we have appropriate arrangements in place to safeguard the children. Thank you for your co-operation.

Science Week

Two weeks ago we held science week here in school and it was fantastic to see the children so excited and enthused by all of our workshops, visitors and explorations. We thank everyone who supported the week including Mrs JD for her dedication to creating a wonderful week of learning for all and our PTA who supported the various workshops we arranged with a generous donation.
