

OUR LADY & ST TERESA'S SCHOOL

NEWSLETTER – 17TH MAY 2019

Our children have shown what amazing resilience and perseverance skills they have this week as Y2 and Y6 have battled government SATs assessments. It can be very easy for children to feel overwhelmed during these times yet none of our children have let these tests get the better of them – they have all attacked them with a sense of purpose and a drive to do well. This attitude is fantastic and is a real reflection of the spirit of our children. I believe that this spirit has been nurtured this year by our wonderful staff team and I would like to take a moment to thank each and every member of staff here for their dedication to our children and in helping every individual to reach their God-given potential. Have a lovely weekend. *Mrs Wilson* - Head Teacher

Year 3 Reports & Parents Consultations

I would like to extend a thanks to all Year 3 parents who have been so patient with us waiting on their child's report and a chance for a parent consultation. With Mrs Wright's ongoing illness it made it very difficult for us to schedule this. Mrs Wright, in consultation with Mrs Bonnet, has produced reports for Year 3 and these will come home next Friday. Mrs Bonnett will then be available to meet with parents throughout the day on Wednesday June 5th to discuss the progress and next steps for the children. Appointments to see Mrs Bonnett, during the school day, on Wednesday June 5th can be made through the school office.

May is the Month of Mary

During this month – try and pray the Hail Mary or perhaps say a decade of the rosary.
