

# Our Lady & St Teresa's Catholic Primary School

## Sports Funding Impact and Analysis Statement 2018- 2019

Also included: planned spending for 2019-2020

## Background

The Government has provided funding until 2020 to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Head Teachers and Principals to spend on improving the quality of sport and PE for all their children.

The sport funding can only be spent on sport and PE provision in schools. OFSTED will play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary Phase. From 2018 all schools receive a lump sum of £16,000 plus a premium of £10 per pupil.

We are proud of the PE curriculum and sporting opportunities that we have on offer at Our Lady & St Teresa's Catholic School. We believe that the purpose of Physical Education is to inspire and motivate all children to be active in their lives, enabling them to become physically confident. The importance of living a healthy lifestyle and taking regular exercise needs to be encouraged, alongside the teaching of key fundamental skills. Children should have opportunities to apply the skills they have learnt in competitive situations, either within teams or individually. As a result, key values, including team work, resilience, determination and fair play, can be taught and promoted in an active way. We believe these key values are vital for pupils' development because lots of these are transferable skills, which can be applied to wider life experiences.

Furthermore, we believe that PE plays a critical role in educating the whole student. Research supports the importance of movement in educating both mind and body. It also helps the children to make informed choices and understand the value of leading a physically active lifestyle. The benefits of physical education can affect both academic learning and physical activity patterns. The healthy, physically active child is more likely to be academically motivated, alert, and successful. In the primary years, active play may be positively related to motor abilities and cognitive development. We believe that quality physical education teaching is essential in developing motor skills, physical fitness and understanding of concepts that foster lifelong healthy lifestyles.

At Our Lady & St Teresa's Primary School, we ensure that the children receive the highest quality of teaching during their PE sessions. We strive to improve children's ability and skills in sport as well as having a significant impact on the overall fitness and well-being of the children. We aim for all children to develop positive attitudes towards physical activity ensuring all lessons are accessible by providing a range of different activities to challenge every pupil. We believe in challenging ourselves to always reach for the next goal and beating our personal best; we endeavour to instil this personal challenge in our children. As part of the 2012 Olympic legacy, we strongly encourage children to take part in sport outside of school and are looking to form further links with local clubs within the community.

## Impact of Sport Premium Funding – Academic year 2018 – 2019

Academic Year – 2018 - 2019					Funding Allocation – £17720		
PE and Sport Premium Key Outcome Indicator	School Focus/planned impact on pupils	Actions to Achieve	Proposed Funding	Actual Funding	Evidence	Impact	Next Steps/ Sustainability
1. The engagement of all pupils in regular physical activity – kick starting healthy lifestyles	Growth in the range of sporting activities	Employment of PE apprentice to develop the variety of sports on offer	£6000	£6000	Observation of PE practitioner in action  Staff evaluation	The employment of a PE apprentice has had a hugely positive impact on the provision of sport we offer.	Continue to employ sports apprentice and develop the range of sports we offer.  Look into alternative methods for delivering our swimming curriculum to enable more children to swim.
		Purchase further resources for our developing PE curriculum	£2500		Evaluation of children's swimming abilities		
	Develop activity at break time in KS1	Improve playground markings on KS1 playground	£2000	£2600			
	All pupils to leave school able to swim 25 metres	Swimming lessons delivered to year 3 and year 4	£2000	£2500			
2. The profile of PE and sport being raised across the school as a tool for whole school improvement	All staff members to deliver high quality PE sessions impacting positively on children's enjoyment and participation	CPD delivered by sports apprentice and modelling of sessions alongside mentor  Achievements and awards shared within school and to the wider community  Sports board to share news and achievements	Covered in above costing		PE learning walks  Evaluation of sports apprentice mentor  Photographs/work completed by children	Staffing changes have meant this has had limited impact.	Further develop our new staff in 2019-2020
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport	All staff to access sports training to support the delivery of high quality PE lessons	Staff will have the opportunity to work alongside the sports apprentice and develop their subject knowledge further	£300	£300	Staff questionnaires  Lesson obs  Pupil voice	All staff worked alongside our sports apprentice during 2018-2019	Continue to facilitate the ability for class teachers to work alongside sports apprentice.

		Purchase PE scheme of Work subscription	£450	£450			
4. Broader experience of a range of sports and activities offered to pupils	High participation rates  Wide range of sporting events and activities available in PE and beyond.	Continue to develop the range of after school clubs we offer.	£1400	£1200	Registers of attendance	Increased participation was evident in 2018-2019.	Continue to develop the opportunities on offer during 2019-2020 to allow as many children as possible to be involved and active.
		Continue to offer a wide range of lunchtime sporting clubs and activities			Observation and monitoring of PE lessons		
		Purchase further resources to develop activities on offer at break and lunch	£1000	£1000	Registers of competition participation		
		Begin the daily mile	£200	£0	Images/videos		
		Participation in CWSPSP events and inclusive events	£100	£300			
5. Increased participation in competitive sport	All children encouraged to take part in competitive sport	Participation in CWSPSP events	£300	£300	CWSPSP calendar of events	Increased participation was evident in 2018-2019.	Continue to develop the opportunities on offer during 2019-2020 to allow as many children as possible to be involved and active.
		Participation in CW cross country events	£50	£50	Attendance at each event		
		Transport to enable participation in wider range of events	£2000	£2000			
		Team kits	£400	£460			

## Planned Spending of Sports Premium Fund 2019-2020

Academic Year – 2019-2020					Estimated Funding Allocation – £17550		
PE and Sport Premium Key Outcome Indicator	School Focus/planned impact on pupils	Actions to Achieve	Proposed Funding	Actual Funding	Evidence	Impact	Next Steps/ Sustainability
1. The engagement of all pupils in regular physical activity – kick starting healthy lifestyles	Growth in the range of sporting activities  All pupils to leave school able to swim 25 metres	Development of PE apprentice to develop the variety of sports on offer	£6000		Observation of PE practitioner in action  Staff evaluation  Evaluation of children's swimming abilities		
		Purchase further resources for our developing PE curriculum	£2500				
		Swimming pool at school to allow all children Y1-Y6 to swim with focused catch up swimming sessions for Y6 children	£3000				
2. The profile of PE and sport being raised across the school as a tool for whole school improvement	All staff members to deliver high quality PE sessions impacting positively on children's enjoyment and participation	CPD delivered by sports apprentice and modelling of sessions alongside mentor  Achievements and awards shared within school and to the wider community  Sports board to share news and achievements	Covered in above costing		PE learning walks  Evaluation of sports apprentice mentor  Photographs/work completed by children
