

## Y4 RE: Special Roles and Responsibilities

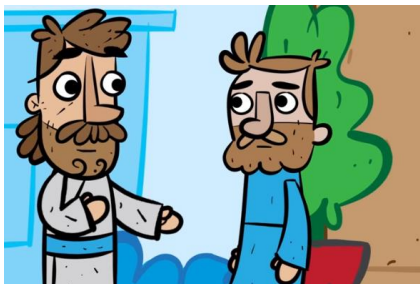

### Lesson 3

Another of the Sacraments is the Sacrament of the Sick. Jesus showed compassion for those who were sick, a responsibility which has been passed onto certain members of the church.

#### Jesus Heals

Watch the videos of Jesus healing a 'Man Born Blind' and the 'Healing of the Leper' and then answer the questions.

1. *What does 'compassion' mean?*
2. *In 'Man Born Blind', what did Jesus say about why the man was born without his sight?*
3. *In the 'Healing of the Leper', how did Jesus feel about only one man returning to him to say thank you?*

#### Eucharistic Ministers

The parish community shows compassion for the sick through the work of Eucharistic ministers. It is their job to bring Mass to people who are too ill to attend church.

4. *What does the word 'responsibility' mean?*
5. *What responsibilities do you have in school or at home?*
6. *What happens when you take up your responsibilities? What happens when you don't?*
7. *Why is it important that Eucharistic ministers take up their responsibility of bringing Mass to the sick?*
