

Hello Everyone!

Here is my step-by-step guide to finding the Year One Storytime sessions on Purple Mash – I hope this helps!

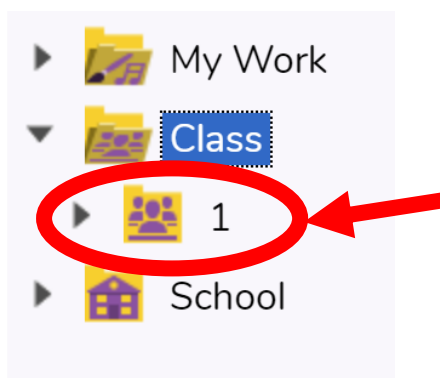

1. Each story time will be linked to a blog post for children to answer questions and share whether they enjoyed the book or not in the comments.
2. To find the story you will need to, click on the 'work' folder.

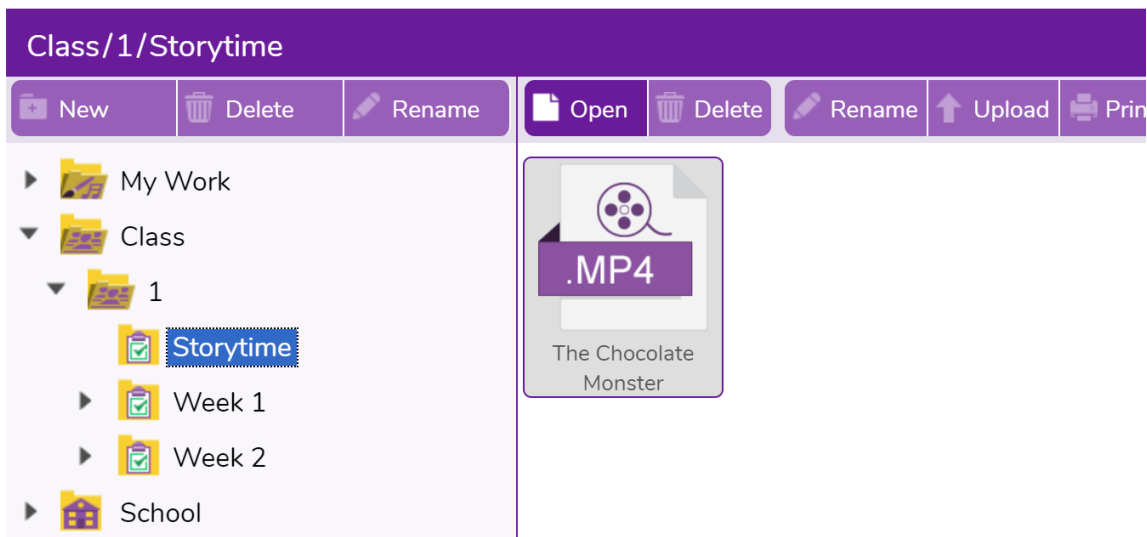

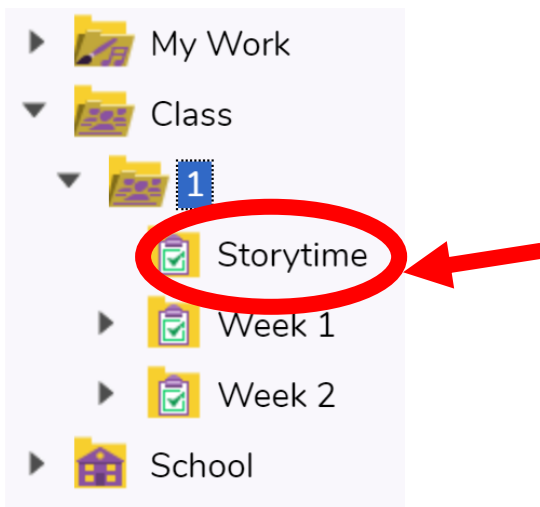

3. Next click on the 'Class' folder.

4. Then click on the folder named '1'.

5. Finally click on the folder called 'Storytime' and select the video. Once you have watched it, go back and comment on the blog post!

I hope that you enjoy! 😊
