

Hello again Year 1 Superheroes,

It is me Supertato! I am so sorry that I have taken so long to write to you again, you see I have been very busy trying to stop the Evil Pea!

Have you heard that you can now go out on more than one adventure walk, so long as you are safe. What I mean when I say 'safe' is that you keep your distance from other people still. To do this you will need to use the special invisible bubble spell and imagine a big bubble around you that helps you leave a big gap between you and other people who you don't live with.

I have a little challenge for you, should you choose to accept it! As I am sure you are aware a Rainbow is being used to show support and togetherness through this tricky time. So on your next outing or in your garden, I challenge you to collect things that match the colours of the rainbow. The second part of the challenge is for you to use what you have collected to create a rainbow image! Good Luck!

Miss O'Connor keeps telling me and showing me all of the wonderful things you have been getting up to! I can see why she is so proud of you all – you are fannnnn – tastic!

Stay safe,

*Supertato x*
