

*Hello again Year One!*

*Miss O'Connor has shared with me some of your wonderful masterpieces. You did an incredible job of completing the challenge that I gave you! I was SO impressed by your work, the colours were fantastic and you all made the most perfect rainbows!!*

*Seeing as you did SO well on the last challenge, I have thought of a new challenge for you! This time I wonder if you could create something to remember your home adventure with your family. You see we are all incredibly lucky to be surrounded by our families and being surrounded by love during this time. It is so important to remember this. Here are some examples of what you could possibly make:*

*I have spoken to Miss O and she will be able to help you with more ideas for this challenge!*

*GOOD LUCK! Until next time,*

*Supertato x*
