

Dear Parents,

I hope that you all had a lovely Easter time, full of magical family moments.

As this is a totally foreign situation, I have created a suggested mini timetable to try and help to provide some sort of structure should you wish to follow and create a routine. Please do not think that this is statutory, I want to be clear that this is only a suggestion in an attempt to ease some stress during this crazy time!

I hope that your families are all well and keeping safe.

If there is anything more I can help with please let us know.

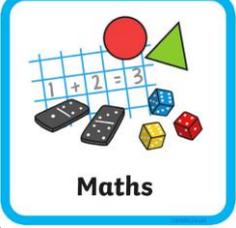

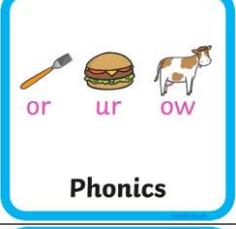

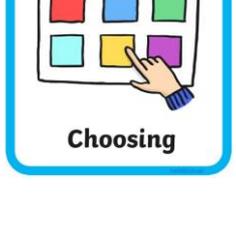

Stay Safe

Miss O

Timetable:

Time	Activity
9am	Joe Wicks PE or Cosmic Kids yoga to get bodies moving
10:00 - 10:30	White Rose Maths have created daily Maths lesson videos online and questions for the children to complete. <i>There is a link to this on the Yr1 webpage (This is the scheme we follow as a school)</i>
10:30	Ruth Miskin Phonics Set 3 sounds <i>There is a link to this on the Yr1 school webpage (this is the scheme we follow at school)</i>
11:00	Have a snack break, allow children some free time
11:30 - 12:00	Purple Mash activity
12:00	Lunch Time, free time
13:00 - 3:30	Creative time Pick a challenge from their scrapbook Or do another activity

Below is the same time table as above but in a visual format to help aid the children. This is similar to the one that we use at school to help the children follow structure. If you do wish to follow this timetable it may help your child to have the visual timetable on the wall where they can use it as a guide.
